## FACE

### BATHING BEAUTY FACIAL (1 hour)

£42

After a detailed case history with your therapist this ritual begins with a steamed prescriptive facial herb tea then a deep cleanse using Universal cleansing oil, followed by a face mask mixed and made to suit your skins needs. Whilst your mask is working its magic you will receive a hand and arm massage and a scalp massage. Once the mask is removed enjoy a facial massage using cold pressed and raw blended Anoint Facial oils, and finished with rose quartz face rollers to tighten and tone your skin.

### DERMAPLANING (1 hour)

£50

This is a deep exfoliating facial with the added benefit of safely removing the top dead layer of skin cells & the vellus hair (the 'fluffy' kind) from the face.
